4 income or, for corporations and fiduciaries, federal taxable income shall
5 be made for interest or dividends received:

6 (a)(i) There shall be subtracted interest or dividends received by
7 the owner of obligations of the United States and its territories and

10 tax purposes but exempt from state income taxes under the laws of the
11 United States; and

17 and other income received from a regulated investment company which is
18 attributable to obligations described in subdivision (a) of this
19 subsection as reported to the recipient by the regulated investment
20 company;

21 (c) There shall be added interest or dividends received by the owner
22 of obligations of the District of Columbia, other states of the United
23 States, or their political subdivisions, authorities, commissions, or

26 dividends shall not be added if received by a corporation which is a
27 regulated investment company;

28 (d) There shall be added that portion of the total dividends and
29 other income received from a regulated investment company which is
30 attributable to obligations described in subdivision (c) of this
31 subsection and excluded for federal income tax purposes as reported to

1 the recipient by the regulated investment company; and

2 (e)(i) Any amount subtracted under this subsection shall be reduced
3 by any interest on indebtedness incurred to carry the obligations or
4 securities described in this subsection or the investment in the
5 regulated investment company and by any expenses incurred in the
6 production of interest or dividend income described in this subsection to
7 the extent that such expenses, including amortizable bond premiums, are
8 deductible in determining federal taxable income.

9 (ii) Any amount added under this subsection shall be reduced by any

14 adopted and promulgated by the Tax Commissioner consistent, to the extent
15 possible under the Nebraska Revenue Act of 1967, with the laws of the
16 United States. For a resident individual, estate, or trust, the net
17 operating loss computed on the federal income tax return shall be
18 adjusted by the modifications contained in this section. For a
19 nonresident individual, estate, or trust or for a partial-year resident
20 individual, the net operating loss computed on the federal return shall
21 be adjusted by the modifications contained in this section and any
22 carryovers or carrybacks shall be limited to the portion of the loss
23 derived from or connected with Nebraska sources.

24 (3) There shall be subtracted from federal adjusted gross income for
25 all taxable years beginning on or after January 1, 1987, the amount of
26 any state income tax refund to the extent such refund was deducted under
27 the Internal Revenue Code, was not allowed in the computation of the tax
28 due under the Nebraska Revenue Act of 1967, and is included in federal
29 adjusted gross income.

31 taxable income shall be modified to exclude the portion of the income or

1 loss received from a small business corporation with an election in
2 effect under subchapter S of the Internal Revenue Code or from a limited
3 liability company organized pursuant to the Nebraska Uniform Limited
4 Liability Company Act that is not derived from or connected with Nebraska
5 sources as determined in section 77-2734.01.

6 (5) There shall be subtracted from federal adjusted gross income or,

22 political subdivisions at a rate in excess of the maximum federal tax
23 rate for corporations. The taxpayer may make the computation for each
24 foreign country or for groups of foreign countries. The portion of the
25 taxes that may be deducted shall be computed in the following manner:

26 (a) The amount of federal taxable income from operations within a
27 foreign taxing jurisdiction shall be reduced by the amount of taxes
28 actually paid to the foreign jurisdiction that are not deductible solely
29 because the foreign tax credit was elected on the federal income tax
30 return;

1 maximum tax rate for corporations in the Internal Revenue Code; and

2 (c) The result of the calculation in subdivision (b) of this
3 subsection shall be subtracted from the amount of federal taxable income

24 filing separate return or ten thousand dollars for any other return. With
25 respect to a qualified rollover within the meaning of section 529 of the
26 Internal Revenue Code from another state's plan, any interest, earnings,
27 and state contributions received from the other state's educational
28 savings plan which is qualified under section 529 of the code shall
29 qualify for the reduction provided in this subdivision. For contributions
