

One Hundred Seventh Legislature - First Session - 2021

Introducer's Statement of Intent

LB123

Chairperson: Senator Dan Hughes

Committee: Executive Board

Date of Hearing: February 24, 2021

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of LB 123 is to allow more flexibility to the chairperson of the Executive Board of the Legislature in calling a meeting prior to the Legislature convening. During the 2019 pandemic the current statutory mandate to meet 30 to 60 days prior to session forced a meeting to be scheduled that was in conflict with public health measures limiting meeting sizes. This bill would allow Legislative Council meetings to be called without the meeting being statutorily mandated just prior to the Legislative session.
