**Chairperson: Senator Lou Ann Linehan**

**Committee: Revenue**

**Date of Hearing: March 03, 2021**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB180 would amend the monthly and fiscal year end reporting of net general fund tax receipts by the Tax Commissioner. It would require the Tax Commissioner to issue the monthly reports in comparison to the most recent forecast (not necessarily the certified forecast) and in comparison to the same month for the previous fiscal year. The fiscal year-end report would be in comparison to the certified forecast as well as the prior fiscal year net receipts.
