

One Hundred Seventh Legislature - First Session - 2021

Introducer's Statement of Intent

LB252

Chairperson: Senator John Arch

Committee: Health and Human Services

Date of Hearing:

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 252 would allow a veterinary drug distributor to refill and distribute a veterinary legend drug pursuant to a veterinary drug order within the confines of a veterinary client relationship for up to 30 days in the event of the death of the veterinarian. The 30-day window would allow farmers and ranchers time to seek another veterinarian while still being able to refill prescriptions necessary for an animal's continued health, safety, and welfare.
