

**One Hundred Seventh Legislature - First Session - 2021**

**Introducer's Statement of Intent**

**LB339**

---

**Chairperson: Senator Curt Friesen**

**Committee: Transportation and Telecommunications**

**Date of Hearing: February 16, 2021**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB339 would require the Department of Transportation, metropolitan class cities, cities of the primary class, cities of the first class, and counties with a population of more than 25,000 people to develop a utility coordination plan for any work conducted on a roadway in which the contract exceeds \$50,000.

The utility coordination plan shall be included in the original contract and will identify all utilities, their operators, the elevation within a work area, and the dates which they will be removed or moved.
