

**One Hundred Seventh Legislature - First Session - 2021**

**Introducer's Statement of Intent**

**LB37**

---

**Chairperson: Senator Ben Hansen, B.**

**Committee: Business and Labor**

**Date of Hearing: January 25, 2021**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 37 would amend and eliminate statutes related to: required regulations for the use of LPG in mobile air conditioner systems would be changed to allow for regulations as needed; the plan review fee structure currently listed in statute would be replaced with a simplified structure listed in regulations allowing for more effective and efficient customer experience ; the qualifications for the State Boiler Inspector would be harmonized with those of the majority of states who have the same type of programs; outdated definitions for hotels, lodging houses, and a standpipe requirement for hotels of a certain height would be outright eliminated.
