

One Hundred Seventh Legislature - First Session - 2021

Introducer's Statement of Intent

LB406

Chairperson: Senator Bruce Bostelman

Committee: Natural Resources

Date of Hearing: January 28, 2021

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 406 proposes to create the Lower Platte River Infrastructure Task Force. The task force shall study three to five potential flood-control infrastructure projects along the river basin of the lower Platte River and gather data and information to compile an analysis.

The study shall be funded by a transfer from the Water Sustainability Fund to the Critical Infrastructure Facilities Cash Fund, and such funds may only be expended by the task force on a dollar-per-dollar basis with matching funds from private sources.
