

One Hundred Seventh Legislature - First Session - 2021

Introducer's Statement of Intent

LB458

Chairperson: Senator Steve Lathrop

Committee: Judiciary

Date of Hearing: March 04, 2021

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 458 alters the amount of time that must pass before a sex offender who is required to register for 15 years may request a reduction in registration period. The bill would allow 15-year registrants to request for a reduction after 7 years, instead of the current 10 years.

LB 458 also includes a mechanism that would allow the Nebraska State Patrol to develop an alternative process to "appearing in person" when natural disasters, public health considerations or other factors make appearing in person difficult, impossible, or unsafe as determined by the Nebraska State Patrol.
