

**One Hundred Seventh Legislature - First Session - 2021**

**Introducer's Statement of Intent**

**LR13CA**

---

**Chairperson: Senator Lynne Walz**

**Committee: Education**

**Date of Hearing: February 08, 2021**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The intent of this resolution is for the legislature to place a proposed constitutional amendment on the ballot in the next general election for the people to ratify. This amendment places a limit in Nebraska's constitution restricting how much property taxes can be used to fund public education in Nebraska. There presently is no limit which is the root-cause of why property taxes are so high in Nebraska.
