

December 18, 2023

Dear Mr. Metzler:

Please accept this 2023 list of applicable guidance documents and rules and regulations for the Nebraska Department of Environment and Energy. Nebraska Revised Statute 84-901.03 states that "...the agency shall also publish on its web site an index summarizing the subject matter of all currently applicable rules and regulations and guidance documents. Such agency shall provide the index electronically to the Clerk of the Legislature by December 31 of each year."

Below is a list of all NDEE Guidance Documents, followed by a list of Rules and Regulations governing the Nebraska Department of Environment and Energy. Hyperlinks are embedded in the titles of the documents; clicking on an individual title will link to the web document.

The list of applicable guidance documents be found on NDEE's website at:
http://dee.ne.gov/publica.nsf/Pubs_Guid_1.xsp.

The list of applicable rules and regulations can be found on NDEE's website at
<http://dee.ne.gov/NDEQProg.nsf/OnWeb/Rules>.

If you have questions relating to these documents, please contact NDEE's Public Information Office at 402-471-2186.

Sincerely,

Carla Prange Felix, Section Supervisor
Public Information Office/Government Relations/Environmental Assistance
