RE: 2022 DHHS Report of the Recommendation for Credentialing of Facilities Not Previously Regulated

Dear Mr. Metzler:

The Department of Health and Human Services, Division of Public Health, is required by Neb. Rev. Stat. §71-8313 to review the regulation or proposed regulation of categories of facilities and list any recommendations for credentialing categories of facilities not previously regulated and changes in the statutes governing the credentialing of categories of facilities on or before November 1 of each year.

For 2022, the Division of Public Health has no recommendations for credentialing facilities not previously regulated.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "C. Menefee".

Charity Menefee, Director
Division of Public Health
Nebraska Department of Health and Human Services
