Mr. Brandon Metzler Clerk of the Legislature State Capitol Room 2028 Lincoln, NE 68509

Subject: Juvenile Room Confinement Report

Dear Mr. Metzler:

Nebraska Statute 83-4,134.01 requires Nebraska's juvenile facilities to report quarterly to the Legislature and the Office of the Inspector General within two weeks after the end of each quarter, information regarding the use of room confinement in Nebraska's juvenile facilities. All facilities followed the Center for Disease Control and local public health department recommendations on the use of medical quarantine for youth testing positive or exposed to COVID-19.

Attached you will find the room confinement usage data for the Youth Rehabilitation and Treatment Centers (YRTC) in Kearney, Hastings, and Lincoln for the third quarter of fiscal year (FY) 2022/2023. The YRTC system continues to use room confinement as a behavioral management tool for high-risk youth in our care. Efforts are continually being made to guarantee youth are confined for the shortest amount of time possible to ensure the safety of all parties. The Whitehall Psychiatric Residential Treatment Facility (PRTF) in Lincoln, did not use room confinement or COVID-19 quarantine during the third quarter of FY 2022/2023. Though the facility is authorized for the use of room confinement, they have elected to employ de-escalation techniques to address behavioral concerns while providing a safe environment for youth and staff.

Sincerely,

Mark LaBouchardiere

Juvenile Services Administrator
