LB 775 makes changes to the Nebraska Racetrack Gaming Act (Act). The bill changes the definition of racetrack enclosure to mean all real property licensed and utilized for the conduct of a race meeting, including the racetrack and any grandstand, concession stand, office, barn, barn area, employee housing facility, parking lot, and additional area designated by the commission in accordance with the Constitution of Nebraska and applicable Nebraska law.

LB 775 adds that the Racing and Gaming Commission is to recommend to the Governor and to the General Affairs Committee of the Legislature amendments to all laws administered by the Commission.

Finally, LB 775 creates the possibility of the Commission delegating to an adjudication subcommittee powers and duties of the Commission as necessary to carry out and effectuate the purposes of the Nebraska Racetrack Gaming Act and investigate and respond to violations of the Nebraska Racetrack Gaming Act. The adjudication subcommittee can impose a fine, not to exceed \$15,000, if it finds that the Act, or any rule or regulation adopted and promulgated under the Act has been violated. The fines collected would go to the appropriate county in accordance with Article VII, section 5, of the Constitution of Nebraska, for use by schools.

The Racing and Gaming Commission estimates no fiscal impact to it from the bill. There is no basis to disagree with this estimate.
