[AM905](#)

1 1. Insert the following new section:
2 Sec. 6. Section 77-202, Revised Statutes Cumulative Supplement,
3 2022, is amended to read:
4 77-202 (1) The following property shall be exempt from property
5 taxes:
6 (a) Property of the state and its governmental subdivisions to the
7 extent used or being developed for use by the state or governmental
8 subdivision for a public purpose. For purposes of this subdivision:
9 (i) Property of the state and its governmental subdivisions means
10 (A) property held in fee title by the state or a governmental subdivision
11 or (B) property beneficially owned by the state or a governmental
12 subdivision in that it is used for a public purpose and is being acquired

13 under a lease-purchase agreement, financing lease, or other instrument
14 which provides for transfer of legal title to the property to the state
15 or a governmental subdivision upon payment of all amounts due thereunder.
16 If the property to be beneficially owned by a governmental subdivision
17 has a total acquisition cost that exceeds the threshold amount or will be
18 used as the site of a public building with a total estimated construction
19 cost that exceeds the threshold amount, then such property shall qualify
20 for an exemption under this section only if the question of acquiring
21 such property or constructing such public building has been submitted at
22 a primary, general, or special election held within the governmental
23 subdivision and has been approved by the voters of the governmental
24 subdivision. For purposes of this subdivision, threshold amount means the
25 greater of fifty thousand dollars or six-tenths of one percent of the
26 total actual value of real and personal property of the governmental
27 subdivision that will beneficially own the property as of the end of the
1 governmental subdivision's prior fiscal year; and
2 (ii) Public purpose means use of the property (A) to provide public
3 services with or without cost to the recipient, including the general
4 operation of government, public education, public safety, transportation,
5 public works, civil and criminal justice, public health and welfare,
6 developments by a public housing authority, parks, culture, recreation,
7 community development, and cemetery purposes, or (B) to carry out the
8 duties and responsibilities conferred by law with or without
9 consideration. Public purpose does not include the leasing of property to
10 a private party unless the lease of the property is at fair market value
11 for a public purpose. Public purpose does not include the leasing or
12 licensing of dark fiber and related infrastructure by an agency or
13 political subdivision of the state to a private telecommunications
14 carrier. Leases of property by a public housing authority to low-income
15 individuals as a place of residence are for the authority's public
16 purpose;
17 (b) Unleased property of the state or its governmental subdivisions
18 which is not being used or developed for use for a public purpose but
19 upon which a payment in lieu of taxes is paid for public safety, rescue,
20 and emergency services and road or street construction or maintenance
21 services to all governmental units providing such services to the
22 property. Except as provided in Article VIII, section 11, of the
23 Constitution of Nebraska, the payment in lieu of taxes shall be based on
24 the proportionate share of the cost of providing public safety, rescue,
25 or emergency services and road or street construction or maintenance
26 services unless a general policy is adopted by the governing body of the
27 governmental subdivision providing such services which provides for a
28 different method of determining the amount of the payment in lieu of
29 taxes. The governing body may adopt a general policy by ordinance or
30 resolution for determining the amount of payment in lieu of taxes by
31 majority vote after a hearing on the ordinance or resolution. Such
1 ordinance or resolution shall nevertheless result in an equitable
2 contribution for the cost of providing such services to the exempt
3 property;
4 (c) Property owned by and used exclusively for agricultural and
5 horticultural societies;
6 (d) Property owned by educational, religious, charitable, or
7 cemetery organizations, or any organization for the exclusive benefit of
8 any such educational, religious, charitable, or cemetery organization,
9 and used exclusively for educational, religious, charitable, or cemetery
10 purposes, when such property is not (i) owned or used for financial gain
11 or profit to either the owner or user, (ii) used for the sale of
12 alcoholic liquors for more than twenty hours per week, or (iii) owned or
13 used by an organization which discriminates in membership or employment
14 based on race, color, or national origin. For purposes of this

15 subdivision, educational organization means (A) an institution operated
16 exclusively for the purpose of offering regular courses with systematic
17 instruction in academic, vocational, or technical subjects or assisting
18 students through services relating to the origination, processing, or
19 guarantying of federally reinsured student loans for higher education or
20 (B) a museum or historical society operated exclusively for the benefit
21 and education of the public. For purposes of this subdivision, charitable
22 organization includes an organization operated exclusively for the
23 purpose of the mental, social, or physical benefit of the public or an
24 indefinite number of persons and a fraternal benefit society organized
25 and licensed under sections 44-1072 to 44-10,109; and
26 (e) Household goods and personal effects not owned or used for
27 financial gain or profit to either the owner or user.

28 (2) The increased value of land by reason of shade and ornamental
29 trees planted along the highway shall not be taken into account in the
30 valuation of land.

31 (3) Tangible personal property which is not depreciable tangible
1 personal property as defined in section 77-119 shall be exempt from
2 property tax.

3 (4) Motor vehicles, trailers, and semitrailers required to be
4 registered for operation on the highways of this state shall be exempt
5 from payment of property taxes.

6 (5) Business and agricultural inventory shall be exempt from the
7 personal property tax. For purposes of this subsection, business
8 inventory includes personal property owned for purposes of leasing or
9 renting such property to others for financial gain only if the personal
10 property is of a type which in the ordinary course of business is leased
11 or rented thirty days or less and may be returned at the option of the
12 lessee or renter at any time and the personal property is of a type which
13 would be considered household goods or personal effects if owned by an
14 individual. All other personal property owned for purposes of leasing or
15 renting such property to others for financial gain shall not be
16 considered business inventory.

17 (6) Any personal property exempt pursuant to subsection (2) of
18 section 77-4105 or section 77-5209.02 shall be exempt from the personal
19 property tax.

20 (7) Livestock shall be exempt from the personal property tax.

21 (8) Any personal property exempt pursuant to the Nebraska Advantage
22 Act or the ImagiNE Nebraska Act shall be exempt from the personal
23 property tax.

24 (9) Any depreciable tangible personal property used directly in the
25 generation of electricity using wind as the fuel source shall be exempt
26 from the property tax levied on depreciable tangible personal property.
27 Any depreciable tangible personal property used directly in the
28 generation of electricity using solar, biomass, or landfill gas as the
29 fuel source shall be exempt from the property tax levied on depreciable
30 tangible personal property if such depreciable tangible personal property
31 was installed on or after January 1, 2016, and has a nameplate capacity
1 of one hundred kilowatts or more. Depreciable tangible personal property
2 used directly in the generation of electricity using wind, solar,
3 biomass, or landfill gas as the fuel source includes, but is not limited
4 to, wind turbines, rotors and blades, towers, solar panels, trackers,
5 generating equipment, transmission components, substations, supporting
6 structures or racks, inverters, and other system components such as
7 wiring, control systems, switchgears, and generator step-up transformers.

8 (10) Any tangible personal property that is acquired by a person
9 operating a data center located in this state, that is assembled,
10 engineered, processed, fabricated, manufactured into, attached to, or
11 incorporated into other tangible personal property, both in component
12 form or that of an assembled product, for the purpose of subsequent use

13 at a physical location outside this state by the person operating a data
 14 center shall be exempt from the personal property tax. Such exemption
 15 extends to keeping, retaining, or exercising any right or power over
 16 tangible personal property in this state for the purpose of subsequently
 17 transporting it outside this state for use thereafter outside this state.
 18 For purposes of this subsection, data center means computers, supporting
 19 equipment, and other organized assembly of hardware or software that are
 20 designed to centralize the storage, management, or dissemination of data
 21 and information, environmentally controlled structures or facilities or
 22 interrelated structures or facilities that provide the infrastructure for
 23 housing the equipment, such as raised flooring, electricity supply,
 24 communication and data lines, Internet access, cooling, security, and
 25 fire suppression, and any building housing the foregoing.
 26 (11) For tax years prior to tax year 2020, each person who owns

 30 person who owns property required to be valued by the state as provided
 31 in section 77-601, 77-682, 77-801, or 77-1248 shall be allowed a
 1 compensating exemption factor as provided in the Personal Property Tax
 2 Relief Act.

[AM951](#)

1 1. Strike the original sections and insert the following new
 2 sections:
 3 Section 1. Section 42-371, Reissue Revised Statutes of Nebraska, is
 4 amended to read:
 5 42-371 Under the Uniform Interstate Family Support Act and sections
 6 42-347 to 42-381, 43-290, 43-512 to 43-512.10, and 43-1401 to 43-1418:
 7 (1)(a) Except as provided in subdivision (1)(b) of this section, all
 8 (1) All judgments and orders for payment of money shall be liens, as in
 9 other actions, upon real property and any personal property registered
 10 with any county office and may be enforced or collected by execution and
 11 the means authorized for collection of money judgments. ;
 12 (b) A judgment or order for payment of child support or spousal
 13 support creates a lien upon the real or personal property of the judgment
 14 debtor which attaches when the payment is due and extinguishes when the
 15 payment is made.
 16 (c) For purposes of this section, a current child support or spousal
 17 support order payment history from the Title IV-D Division of the
 18 Department of Health and Human Services setting forth evidence that all
 19 support payments are current is prima facie evidence that such payments
 20 are in fact current and such evidence operates to release the lien
 21 described in subdivision (1)(b) of this section;
 22 (2) The judgment creditor may execute a partial or total release of
 23 the judgment or a document subordinating the lien of the judgment to any
 24 other lien, generally or on specific real or personal property.
 25 Release of a judgment for child support or spousal support or
 26 subordination of a lien of a judgment for child support or spousal
 27 support may, if all such payments are current and not delinquent or in
 1 arrears, be released or subordinated by a release or subordination
 2 document executed by the judgment creditor, and such document shall be
 3 sufficient to remove or subordinate the lien. A properly executed,
 4 notarized release or subordination document explicitly reciting that all
 5 child support payments or spousal support payments are current is prima
 6 facie evidence that such payments are in fact current. For purposes of
 7 this section, any delinquency or arrearage of support payments shall be

8 determined as provided in subsection (2) of section 42-358.02;

9 (3) If a judgment creditor refuses to execute a release of the
10 judgment or subordination of a lien as provided in subdivision (2) of
11 this section or the support payments are not current, the person desiring
12 such release or subordination may file an application for the relief
13 desired in the court which rendered the original judgment. A copy of the
14 application and a notice of hearing shall be served on the judgment
15 creditor either personally or by registered or certified mail no later
16 than ten days before the date of hearing. If the court finds that the
17 release or subordination is not requested for the purpose of avoiding
18 payment and that the release or subordination will not unduly reduce the
19 security, the court may issue an order releasing real or personal
20 property from the judgment lien or issue an order subordinating the
21 judgment lien. As a condition for such release or subordination, the
22 court may require the posting of a bond with the clerk in an amount fixed
23 by the court, guaranteeing payment of the judgment. If the court orders a
24 release or subordination, the court may order a judgment creditor who,
25 without a good faith reason, refused to execute a release or
26 subordination to pay the judgment debtor's court costs and attorney's
27 fees involved with the application brought under this subdivision. A
28 showing that all support payments are current shall be evidence that the
29 judgment creditor did not have a good faith reason to refuse to execute
30 such release or subordination. For purposes of this section, a current
31 certified copy of support order payment history from the Title IV-D
1 Division of the Department of Health and Human Services setting forth
2 evidence that all support payments are current is prima facie evidence
3 that such payments are in fact current and is valid for thirty days after
4 the date of certification;

5 (4) Full faith and credit shall be accorded to a lien arising by
6 operation of law against real and personal property for amounts overdue
7 relating to a support order owed by a judgment debtor or obligor who
8 resides or owns property in this state when another state agency, party,
9 or other entity seeking to enforce such lien complies with the procedural
10 rules relating to the filing of the lien in this state. The state agency,
11 party, or other entity seeking to enforce such lien shall send a
12 certified copy of the support order with all modifications, the notice of
13 lien prescribed by 42 U.S.C. 652(a)(11) and 42 U.S.C. 654(9)(E), and the
14 appropriate fee to the clerk of the district court in the jurisdiction
15 within this state in which the lien is sought. Upon receiving the
16 appropriate documents and fee, the clerk of the district court shall
17 accept the documents filed and such acceptance shall constitute entry of
18 the foreign support order for purposes of this section only. Entry of a
19 lien arising in another state pursuant to this section shall result in
20 such lien being afforded the same treatment as liens arising in this
21 state. The filing process required by this section shall not be construed
22 as requiring an application, complaint, answer, and hearing as might be
23 required for the filing or registration of foreign judgments under the
24 Nebraska Uniform Enforcement of Foreign Judgments Act or the Uniform
25 Interstate Family Support Act;

26 (5) Support order judgments shall cease to be liens on real or
27 registered personal property ten years from the date (a) the youngest
28 child becomes of age or dies or (b) the most recent execution was issued
29 to collect the judgment, whichever is later, and such lien shall not be
30 reinstated;

31 (6) Alimony and property settlement award judgments, if not covered
1 by subdivision (5) of this section, shall cease to be a lien on real or
2 registered personal property ten years from the date (a) the judgment was
3 entered, (b) the most recent payment was made, or (c) the most recent
4 execution was issued to collect the judgment, whichever is latest, and
5 such lien shall not be reinstated;

6 (7) The court may in any case, upon application or its own motion,
 7 after notice and hearing, order a person required to make payments to
 8 post sufficient security, bond, or other guarantee with the clerk to
 9 insure payment of both current and any delinquent amounts. Upon failure
 10 to comply with the order, the court may also appoint a receiver to take
 11 charge of the debtor's property to insure payment. Any bond, security, or
 12 other guarantee paid in cash may, when the court deems it appropriate, be
 13 applied either to current payments or to reduce any accumulated
 14 arrearage;

15 (8)(a) The lien of a mortgage or deed of trust which secures a loan,
 16 the proceeds of which are used to purchase real property, and (b) any
 17 lien given priority pursuant to a subordination document under this
 18 section shall attach prior to any lien authorized by this section. Any
 19 mortgage or deed of trust which secures the refinancing, renewal, or
 20 extension of a real property purchase money mortgage or deed of trust
 21 shall have the same lien priority with respect to any lien authorized by
 22 this section as the original real property purchase money mortgage or
 23 deed of trust to the extent that the amount of the loan refinanced,
 24 renewed, or extended does not exceed the amount used to pay the principal
 25 and interest on the existing real property purchase money mortgage or
 26 deed of trust, plus the costs of the refinancing, renewal, or extension;
 27 and

28 (9) Any lien authorized by this section against personal property
 29 registered with any county consisting of a motor vehicle or mobile home
 30 shall attach upon notation of the lien against the motor vehicle or
 31 mobile home certificate of title and shall have its priority established
 1 pursuant to the terms of section 60-164 or a subordination document
 2 executed under this section.

3 Sec. 2. Original section 42-371, Reissue Revised Statutes of
 4 Nebraska, is repealed.
