

AMENDMENTS TO LB630

Introduced by Health and Human Services.

1 1. Strike the original sections and insert the following new
2 sections:

3 **Section 1.** Section 38-2501, Reissue Revised Statutes of Nebraska, is
4 amended to read:

5 38-2501 Sections 38-2501 to 38-2531 and sections 18 to 21 of this
6 act shall be known and may be cited as the Occupational Therapy Practice
7 Act.

8 **Sec. 2.** Section 38-2503, Reissue Revised Statutes of Nebraska, is
9 amended to read:

10 38-2503 For purposes of the Occupational Therapy Practice Act and
11 elsewhere in the Uniform Credentialing Act, unless the context otherwise
12 requires, the definitions found in sections 38-2504 to 38-2514 and
13 sections 18 to 21 of this act apply.

14 **Sec. 3.** Section 38-2506, Reissue Revised Statutes of Nebraska, is
15 amended to read:

16 38-2506 Deep thermal agent modalities means therapeutic ultrasound,
17 ~~and~~ phonophoresis, and other commercially available technologies. Deep
18 thermal agent modalities does not include the use of diathermy or lasers.

19 **Sec. 4.** Section 38-2507, Reissue Revised Statutes of Nebraska, is
20 amended to read:

21 38-2507 Electrotherapeutic agent modalities means the use of
22 electrotherapeutic currents and waveforms to (1) facilitate physiologic
23 changes in tissues to increase circulation, facilitate tissue healing,
24 and modulate pain, including, but not limited to, high-voltage galvanic
25 stimulation for tissue and wound repair and high-voltage pulsed current,
26 and (2) facilitate neuromuscular or sensory activity to improve muscle
27 strength, reeducate muscle function, or modulate pain response,

1 including, but not limited to, neuromuscular electrical stimulation,
2 functional electrical stimulation, transcutaneous electrical nerve
3 stimulation, and interferential current. ~~neuromuscular electrical~~
4 ~~stimulation, transcutaneous electrical nerve stimulation, and~~
5 ~~iontophoresis. Electrotherapeutic agent modalities does not include the~~
6 ~~use of ultraviolet light.~~

7 **Sec. 5.** Section 38-2510, Reissue Revised Statutes of Nebraska, is
8 amended to read:

9 38-2510 (1) Practice of occupational therapy means the therapeutic
10 use of everyday life occupations with persons, groups, or populations to
11 support occupational performance and participation. Occupational therapy
12 practice includes clinical reasoning and professional judgment to
13 evaluate, analyze, and diagnose occupational challenges and provide
14 occupation-based interventions. Occupational therapy services include
15 habilitation, rehabilitation, and the promotion of physical and mental
16 health and wellness for clients with all levels of ability-related needs.
17 These services are provided to a client who has, or is at risk for,
18 developing an illness, injury, disease, disorder, condition, impairment,
19 disability, activity limitation, or participation restriction. Through
20 the provision of skilled services and engagement in everyday activities,
21 occupational therapy promotes physical and mental health and well-being
22 by supporting occupational performance in a person with, or at risk of
23 experiencing, a range of developmental, physical, and mental health
24 disorders.

25 (2) The practice of occupational therapy includes the following
26 components:

27 (a) Evaluation of factors affecting activities of daily living,
28 instrumental activities of daily living, health management, rest and
29 sleep, education, work, play, leisure, and social participation, and
30 includes environmental and personal factors and occupational and activity
31 demands that affect performance;

1 (b) Performance patterns, including habits, routines, roles, and
2 rituals;

3 (c) Performance skills, including motor skills, process skills, and
4 social interaction skills;

5 (d) Client factors, including body functions and structures, values,
6 and spirituality;

7 (e) Methods or approaches to identify and select intervention,
8 including (i) establishment, remediation, or restoration of a skill or
9 ability that has not yet developed, is impaired, or is in decline, (ii)
10 compensation, modification, or adaptation of occupations, activities, and
11 contexts to improve or enhance performance, (iii) maintenance of
12 capabilities to prevent decline in performance of everyday life
13 occupations, (iv) health promotion and wellness to enable or enhance
14 performance of everyday life activities and quality of life, and (v)
15 prevention of occurrence or emergence of barriers to performance and
16 participation, including injury and disability prevention; and

17 (f) Interventions and procedures to promote or enhance safety and
18 performance in activities of daily living, independent activities of
19 daily living, health management, rest and sleep, education, work, play,
20 leisure, and social participation, and includes:

21 (i) Therapeutic use of occupations and activities;

22 (ii) Training in self-care, self-management, health management, home
23 management, community and work integration, school activities, and work
24 performance;

25 (iii) Identification, development, remediation, or compensation of
26 physical, neuromusculoskeletal, sensory-perceptual, emotional regulation,
27 visual, and mental and cognitive functions, pain tolerance and
28 management, praxis, developmental skills, and behavioral skills;

29 (iv) Education and training of persons, including family members,
30 caregivers, groups, and populations;

31 (v) Care coordination, case management, and transition services;

- 1 (vi) Consultation services to persons, groups, populations,
2 programs, organizations, and communities;
- 3 (vii) Virtual interventions;
- 4 (viii) Modification of contexts and adaptation of processes,
5 including the application of ergonomic principles;
- 6 (ix) Assessment, design, fabrication, application, fitting, and
7 training in seating and positioning, assistive technology, adaptive
8 devices, and orthotic devices, and training in the use of prosthetic
9 devices;
- 10 (x) Assessment, recommendation, and training in techniques to
11 enhance functional mobility, including fitting and management of
12 wheelchairs and other mobility devices;
- 13 (xi) Exercises, including tasks and methods to increase motion,
14 strength, and endurance for occupational participation;
- 15 (xii) Remediation of, and compensation for, visual deficits,
16 including low vision rehabilitation;
- 17 (xiii) Driver rehabilitation and community mobility;
- 18 (xiv) Management of feeding, eating, and swallowing to enable eating
19 and feeding performance;
- 20 (xv) Application of physical agent, instrument-assisted, and
21 mechanical modalities and the use of a range of specific therapeutic
22 procedures and techniques to enhance sensory, motor, perceptual, and
23 cognitive processing, and manual therapy techniques to enhance
24 performance skills;
- 25 (xvi) Facilitating the occupational participation of persons,
26 groups, or populations through modification of contexts and adaptation of
27 processes;
- 28 (xvii) Efforts directed toward promoting occupational justice and
29 empowering clients to seek and obtain resources to fully participate in
30 everyday life occupations;
- 31 (xviii) Group interventions; and

1 (xix) Addressing wound care.

2 ~~(1) Occupational therapy means the use of purposeful activity with~~
3 ~~individuals who are limited by physical injury or illness, psychosocial~~
4 ~~dysfunction, developmental or learning disabilities, or the aging process~~
5 ~~in order to maximize independent function, prevent further disability,~~
6 ~~and achieve and maintain health and productivity.~~

7 ~~(2) Occupational therapy encompasses evaluation, treatment, and~~
8 ~~consultation and may include (a) remediation or restoration of~~
9 ~~performance abilities that are limited due to impairment in biological,~~
10 ~~physiological, psychological, or neurological processes, (b) adaptation~~
11 ~~of task, process, or the environment, or the teaching of compensatory~~
12 ~~techniques, in order to enhance performance, (c) disability prevention~~
13 ~~methods and techniques which facilitate the development or safe~~
14 ~~application of performance skills, and (d) health promotion strategies~~
15 ~~and practices which enhance performance abilities.~~

16 (3) Occupational therapy does not include the use of joint
17 manipulation, grade five mobilization or manipulation, thrust joint
18 manipulation, high-velocity or low-amplitude thrust, or any other
19 procedure intended to result in joint cavitation. Joint manipulation
20 commences where grades one through four mobilization ends.

21 **Sec. 6.** Section 38-2511, Reissue Revised Statutes of Nebraska, is
22 amended to read:

23 38-2511 Occupational therapy aide means a person who is not licensed
24 by the board and who provides supportive services to occupational
25 therapists and occupational therapy assistants and functions only under
26 the guidance, responsibility, and supervision of an occupational
27 therapist or an occupational therapy assistant. An aide shall not provide
28 occupational therapy services and shall demonstrate competence before
29 performing assigned and delegated client-related and non-client-related
30 tasks. An aide includes a rehabilitation aide, a rehabilitation
31 technician, and other designations of nonlicensed, supportive personnel.

1 ~~Occupational therapy aide means a person who is not licensed under~~
2 ~~the Occupational Therapy Practice Act and who provides supportive~~
3 ~~services to occupational therapists and occupational therapy assistants.~~

4 **Sec. 7.** Section 38-2512, Reissue Revised Statutes of Nebraska, is
5 amended to read:

6 38-2512 Occupational therapy assistant means a person licensed to
7 assist in the practice of occupational therapy under the Occupational
8 Therapy Practice Act and who works under the appropriate supervision of,
9 and in collaboration with, an occupational therapist. ~~holding a current~~
10 ~~license to assist in the practice of occupational therapy.~~

11 **Sec. 8.** Section 38-2513, Reissue Revised Statutes of Nebraska, is
12 amended to read:

13 38-2513 Physical agent and instrument-assisted modalities means
14 modalities that produce a biophysiological response through the use of
15 water, temperature, sound, electricity, or mechanical devices.

16 **Sec. 9.** Section 38-2514, Reissue Revised Statutes of Nebraska, is
17 amended to read:

18 38-2514 Superficial thermal agent modalities means hydrotherapy,
19 whirlpool, cryotherapy, fluidotherapy, hot packs, paraffin, water,
20 infrared, and other commercially available superficial heating and
21 cooling technologies. ~~hot packs, cold packs, ice, fluidotherapy,~~
22 ~~paraffin, water, and other commercially available superficial heating and~~
23 ~~cooling technologies.~~

24 **Sec. 10.** Section 38-2516, Revised Statutes Cumulative Supplement,
25 2024, is amended to read:

26 38-2516 (1) No person may represent himself or herself to be a
27 licensed occupational therapist or occupational therapy assistant unless
28 the person is licensed in accordance with the Occupational Therapy
29 Practice Act or has a compact privilege to practice in accordance with
30 the Occupational Therapy Practice Interstate Compact.

31 (2) Nothing in the Occupational Therapy Practice Act shall be

1 construed to prevent:

2 (a) Any person licensed in this state pursuant to the Uniform
3 Credentialing Act from engaging in the profession or occupation for which
4 he or she is licensed;

5 (b) The activities and services of any person employed as an
6 occupational therapist or occupational therapy assistant who serves in
7 the armed forces of the United States or the United States Public Health
8 Service or who is employed by the United States Department of Veterans
9 Affairs or other federal agencies, if their practice is limited to that
10 service or employment;

11 (c) The activities and services of any person pursuing an accredited
12 course of study leading to a degree or certificate in occupational
13 therapy if such activities and services constitute a part of a supervised
14 course of study and if such a person is designated by a title which
15 clearly indicates his or her status as a student or trainee;

16 (d) The activities and services of any person fulfilling the
17 supervised fieldwork experience requirements of section sections 38-2518
18 ~~and 38-2519~~ if such activities and services constitute a part of the
19 experience necessary to meet the requirements of such section sections;
20 or

21 (e) A qualified member ~~Qualified members~~ of another profession ~~other~~
22 ~~professions~~ or occupation ~~occupations~~, including, but not limited to, a
23 recreation specialist ~~specialists~~ or therapist ~~therapists~~, a special
24 education teacher ~~teachers~~, an independent living specialist ~~specialists~~,
25 a work adjustment trainer ~~trainers~~, a caseworker, or a person
26 ~~caseworkers, and persons~~ pursuing a course ~~courses~~ of study leading to a
27 degree or certification in such fields, from doing work similar to
28 occupational therapy which is consistent with the member's ~~their~~ training
29 if such member does ~~they do~~ not represent himself or herself ~~themselves~~
30 by any title or description to be an occupational therapist or
31 occupational therapy assistant ~~therapists~~.

1 **Sec. 11.** Section 38-2517, Revised Statutes Cumulative Supplement,
2 2024, is amended to read:

3 38-2517 (1) ~~A~~ Any person who has applied to take the examination
4 under section 38-2518 or 38-2519 and who has completed the education and
5 experience requirements of the Occupational Therapy Practice Act may be
6 granted a temporary license to practice as an occupational therapist or
7 an occupational therapy assistant. A temporary license shall allow the
8 person to practice only in association with an ~~a licensed~~ occupational
9 therapist, ~~and shall be valid until the date on which the results of the~~
10 ~~next licensure examination are available to the department.~~

11 (2) A temporary license expires the earlier of: (a) The date the
12 person holding the temporary license is issued a permanent license; (b)
13 the date the board denies a person's license application; (c) one hundred
14 eighty days after the date the temporary license is issued; or (d) the
15 date a person is notified of a failure of the licensure examination. The
16 temporary license shall not be renewed if the applicant has failed the
17 examination. The temporary license may be extended by the department,
18 with the recommendation of the board.

19 (3) In no case may a temporary license be extended for a period
20 greater than ~~beyond~~ one year after the date of issuance.

21 (4) ~~(2)~~ This section does not apply to a temporary license issued as
22 provided in section 38-129.01.

23 **Sec. 12.** Section 38-2518, Revised Statutes Cumulative Supplement,
24 2024, is amended to read:

25 38-2518 (1) An applicant applying for a license as an occupational
26 therapist shall show to the satisfaction of the department that the
27 applicant ~~he or she~~:

28 (a) Has successfully completed the academic requirements of an
29 educational program in occupational therapy recognized by the department
30 and accredited by a nationally recognized accrediting body ~~medical~~
31 ~~association or nationally recognized occupational therapy association;~~

1 and

2 ~~(b) Has successfully completed a period of supervised fieldwork~~
3 ~~experience at an educational institution approved by the department and~~
4 ~~where the applicant's academic work was completed or which is part of a~~
5 ~~training program approved by such educational institution. A minimum of~~
6 ~~six months of supervised fieldwork experience shall be required for an~~
7 ~~occupational therapist; and~~

8 ~~(b) (c)~~ Has passed an examination as provided in section 38-2520.

9 (2) ~~If~~ ~~In the case of~~ an applicant ~~who~~ has been trained as an
10 occupational therapist in a foreign country, the applicant shall:

11 (a) Present documentation of completion of an educational program in
12 occupational therapy that is substantially equivalent to an approved
13 program accredited by the Accreditation Council for Occupational Therapy
14 Education or by an equivalent accrediting body ~~agency~~ as determined by
15 the board;

16 (b) Present proof of proficiency in the English language; and

17 (c) Pass ~~Have passed~~ an examination as provided in section 38-2520.

18 (3) Residency in this state shall not be a requirement of licensure.
19 A corporation, partnership, limited liability company, or association
20 shall not be licensed as an occupational therapist pursuant to the
21 Occupational Therapy Practice Act.

22 **Sec. 13.** Section 38-2520, Reissue Revised Statutes of Nebraska, is
23 amended to read:

24 38-2520 ~~(1)~~ Each applicant for licensure under ~~pursuant to the~~
25 Occupational Therapy Practice Act shall take an ~~be examined by a written~~
26 examination which tests the applicant's ~~his or her~~ knowledge of the basic
27 and clinical sciences relating to occupational therapy and occupational
28 therapy theory and practice including, but not limited to, professional
29 skills and judgment in the utilization of occupational therapy techniques
30 and methods and such other subjects as identified by the body
31 administering the national licensure examination. Each applicant shall

1 follow the rules as outlined by such body and meet the minimum
2 requirements for the examination. Results of the examination shall be
3 sent to the board for verification of entry-level competency. as the
4 board may deem useful to determine the applicant's fitness to practice.
5 ~~The board shall approve the examination and establish standards for~~
6 ~~acceptable performance. The board may choose a nationally standardized~~
7 ~~occupational therapist and occupational therapy assistant entry-level~~
8 ~~examination.~~

9 ~~(2) Applicants for licensure shall be examined at a time and place~~
10 ~~and under such supervision as the board may determine.~~

11 **Sec. 14.** Section 38-2526, Reissue Revised Statutes of Nebraska, is
12 amended to read:

13 38-2526 (1) An occupational therapist may perform any services
14 identified in section 38-2510 for which the occupational therapist is
15 competent to perform based on the occupational therapist's entry-level
16 training or continued professional development. An occupational therapist
17 may pursue specialization, training, or professional development in a
18 specific modality, procedure, or technique. It is the responsibility of
19 the practitioner to be proficient and document proficiency in the
20 specific modality of practice.

21 (2) An occupational therapist is qualified to apply physical agent
22 and instrument-assisted modalities pursuant to subsection (1) of section
23 38-2530.

24 (3) An occupational therapist may complete insertion and removal of
25 cannulas for oxygen and adjustment of the rate of flow based on a
26 physician order.

27 (4) An occupational therapist shall not independently diagnose a
28 medical condition or disease.

29 ~~An occupational therapist may perform the following services:~~

30 ~~(1) Evaluate, develop, improve, sustain, or restore skills in~~
31 ~~activities of daily living, work activities, or productive activities,~~

1 ~~including instrumental activities of daily living, and play and leisure~~
2 ~~activities;~~

3 ~~(2) Evaluate, develop, remediate, or restore sensorimotor,~~
4 ~~cognitive, or psychosocial components of performance;~~

5 ~~(3) Design, fabricate, apply, or train in the use of assistive~~
6 ~~technology or orthotic devices and train in the use of prosthetic~~
7 ~~devices;~~

8 ~~(4) Adapt environments and processes, including the application of~~
9 ~~ergonomic principles, to enhance performance and safety in daily life~~
10 ~~roles;~~

11 ~~(5) If certified pursuant to section 38-2530, apply physical agent~~
12 ~~modalities as an adjunct to or in preparation for engagement in~~
13 ~~occupations when applied by a practitioner who has documented evidence of~~
14 ~~possessing the theoretical background and technical skills for safe and~~
15 ~~competent use;~~

16 ~~(6) Evaluate and provide intervention in collaboration with the~~
17 ~~client, family, caregiver, or others;~~

18 ~~(7) Educate the client, family, caregiver, or others in carrying out~~
19 ~~appropriate nonskilled interventions; and~~

20 ~~(8) Consult with groups, programs, organizations, or communities to~~
21 ~~provide population-based services.~~

22 **Sec. 15.** Section 38-2527, Reissue Revised Statutes of Nebraska, is
23 amended to read:

24 38-2527 An occupational therapy assistant may deliver occupational
25 therapy services enumerated in section 38-2510 ~~38-2526~~ in collaboration
26 with and under the supervision of an occupational therapist.

27 **Sec. 16.** Section 38-2530, Reissue Revised Statutes of Nebraska, is
28 amended to read:

29 38-2530 ~~(1) In order to apply physical agent modalities, an~~
30 ~~occupational therapist shall be certified pursuant to this section.~~

31 (1)(a) If an occupational therapist's occupational therapy

1 educational program does not include education in superficial thermal,
2 deep thermal, electrotherapeutic, and mechanical devices or the
3 occupational therapist is not certified by the Hand Therapy Certification
4 Commission or other equivalent body recognized by the board, the
5 occupational therapist shall request approval from the board to practice
6 physical agent and instrument-assisted modalities.

7 (b) An occupational therapist may perform dry needling only in
8 accordance with the level of education and training successfully
9 completed. Education and training shall be approved by the board and
10 include clinical instruction and application on the performance of dry
11 needling.

12 (c) An occupational therapist may not use diathermy.

13 (2) The department shall issue a certificate to an occupational
14 therapist to administer a physical agent and instrument-assisted modality
15 if the occupational therapist:

16 (a) Has successfully completed a training course approved by the
17 board and passed an examination approved by the board on the physical
18 agent and instrument-assisted modality;

19 (b) Is certified as a hand therapist by the Hand Therapy
20 Certification Commission or other equivalent body recognized by the
21 board;

22 (c) Has a minimum of five years of experience in the use of physical
23 agent and instrument-assisted modalities and has passed an examination
24 approved by the board on physical agent and instrument-assisted
25 modalities; or

26 (d) Has completed education during a basic educational program which
27 included demonstration of competencies for application of physical agent
28 and instrument-assisted modalities.

29 (3) The department shall issue a certificate for an occupational
30 therapist to utilize dry needling if the occupational therapist has
31 successfully completed a board-approved training course to administer dry

1 needling.

2 (4) An occupational therapist shall not delegate evaluation,
3 reevaluation, treatment planning, and treatment goals for physical agent
4 and instrument-assisted modalities to an occupational therapy assistant.

5 (5)(a) An occupational therapy assistant may administer a physical
6 agent modality if the occupational therapy assistant (i) has successfully
7 completed a training course approved by the board and passed an
8 examination approved by the board on the physical agent modality and (ii)
9 is appropriately supervised by an occupational therapist who is approved
10 to administer physical agent modalities.

11 (b) An occupational therapy assistant shall not complete evaluation,
12 reevaluation, treatment planning, or treatment goal setting related to
13 physical agent modality use.

14 (c) An occupational therapy assistant may not use the instrument-
15 assisted modality of dry needling or diathermy.

16 ~~The department shall issue a certificate to an occupational~~
17 ~~therapist to administer a physical agent modality if the occupational~~
18 ~~therapist:~~

19 ~~(a) Has successfully completed a training course approved by the~~
20 ~~board and passed an examination approved by the board on the physical~~
21 ~~agent modality;~~

22 ~~(b) Is certified as a hand therapist by the Hand Therapy~~
23 ~~Certification Commission or other equivalent entity recognized by the~~
24 ~~board;~~

25 ~~(c) Has a minimum of five years of experience in the use of the~~
26 ~~physical agent modality and has passed an examination approved by the~~
27 ~~board on the physical agent modality; or~~

28 ~~(d) Has completed education during a basic educational program which~~
29 ~~included demonstration of competencies for application of the physical~~
30 ~~agent modality.~~

31 (6) (2) The department shall issue a certificate to authorize an

1 occupational therapy assistant to set up and implement treatment using
2 superficial thermal agent modalities, deep thermal agent modalities,
3 electrotherapeutic modalities, and mechanical devices if the occupational
4 therapy assistant has successfully completed a training course approved
5 by the board and passed an examination approved by the board. Such set up
6 and implementation shall only be done under the onsite supervision of an
7 occupational therapist certified to administer such modalities
8 ~~superficial thermal agent modalities.~~

9 ~~(3) An occupational therapist shall not delegate evaluation,~~
10 ~~reevaluation, treatment planning, and treatment goals for physical agent~~
11 ~~modalities to an occupational therapy assistant.~~

12 **Sec. 17.** Section 38-2531, Reissue Revised Statutes of Nebraska, is
13 amended to read:

14 38-2531 (1) The board shall adopt and promulgate rules and
15 regulations regarding role delineation for occupational therapy
16 assistants and continuing competency requirements. Continuing education
17 is sufficient to meet continuing competency requirements. Such
18 requirements may also include, but not be limited to, one or more of the
19 continuing competency activities listed in section 38-145 which a
20 licensed person may select as an alternative to continuing education.

21 (2) The board may adopt and promulgate rules and regulations
22 governing the training courses for an occupational therapist to be
23 certified to administer a physical agent and instrument-assisted
24 modalities ~~modality~~. The board may adopt and promulgate rules and
25 regulations governing the training course for an occupational therapy
26 assistant to be certified to set up and implement superficial thermal
27 agent modalities. In adopting such rules and regulations, the board shall
28 give consideration to the levels of training and experience which are
29 required, in the opinion of the board, to protect the public health,
30 safety, and welfare and to insure, to the greatest extent possible, the
31 efficient, adequate, and safe practice of occupational therapy. Such

1 rules and regulations shall include the approval of examinations and the
2 passing score for such examinations for certification.

3 **Sec. 18.** Electromagnetic modality means the use of electromagnetic
4 waves, including radio waves, microwaves, and light waves, to transport
5 electrical and magnetic energy through space to effect changes in body
6 structures.

7 **Sec. 19.** Instrument-assisted modality means the therapeutic use of
8 an instrument or tool that is manually applied by a trained practitioner
9 to target specific tissues including skin, fascia, and other connective
10 tissues or muscle.

11 **Sec. 20.** Mechanical modality means the therapeutic use of a
12 mechanical device to apply force, such as compression, distraction,
13 vibration, or controlled mobilization, to modify biomechanical properties
14 and functions of tissues.

15 **Sec. 21.** Supervision means a collaborative process for responsible,
16 periodic review and inspection of all aspects of occupational therapy
17 services where (1) the occupational therapist is responsible for
18 occupational therapy services provided by an occupational therapy
19 assistant or an occupational therapy aide, and (2) an occupational
20 therapy assistant is responsible for the occupational therapy services
21 provided by the assistant. The goal of supervision is to ensure the safe
22 and effective delivery of occupational therapy services.

23 **Sec. 22.** Original sections 38-2501, 38-2503, 38-2506, 38-2507,
24 38-2510, 38-2511, 38-2512, 38-2513, 38-2514, 38-2520, 38-2526, 38-2527,
25 38-2530, and 38-2531, Reissue Revised Statutes of Nebraska, and sections
26 38-2516, 38-2517, and 38-2518, Revised Statutes Cumulative Supplement,
27 2024, are repealed.
