- 4 Be it enacted by the people of the State of Nebraska,

1 **Section 1.** (1) The Department of Health and Human Services shall
2 establish a Family Resource and Juvenile Assessment Center Pilot Program
3 for a period of five years in cities of the metropolitan class areas,
4 that shall operate twenty-four hours a day, seven days a week. The pilot
5 program shall be developed in partnership with local grassroots
6 organizations, community stakeholders, and advisors representing youth
7 and families impacted by the juvenile justice system.

8 (2) A Family Resource and Juvenile Assessment Center means a
9 facility designed to provide support, assessment, and intervention
10 services for youth and families involved in, or at risk of, entering the
11 juvenile justice system. The goal of the centers is to offer
12 comprehensive, community-based solutions that address underlying issues
13 contributing to juvenile delinquency, including family dynamics, mental
14 health, substance abuse, and educational challenges.

15 **Sec. 2.** The pilot program established pursuant to section 1 of this
16 act shall:

17 (1) Provide comprehensive support resources to prevent youth from
18 entering or escalating within the juvenile justice system;

19 (2) Minimize individual and community harm by addressing issues
20 before they lead to greater involvement with social services, family
21 services, and adult criminal justice systems; and

22 (3) Foster community trust and engagement by integrating culturally
23 relevant services delivered by, and for, the communities served.

24 **Sec. 3.** (1) The Department of Health and Human Services shall
25 establish a designation process for family resource and juvenile
26 assessment centers to ensure adherence to high-quality standards in
27 service delivery, staff qualifications, and organizational effectiveness.

28 (2) A center seeking designation shall complete a comprehensive
29 self-assessment based on the national Standards of Quality for Family
30 Strengthening and Support or a similar benchmark framework and shall
31 submit an application and the self-assessment to the department for

1 review.

2 (3) The department shall conduct site visits and staff interviews as
3 part of the review process to verify self-assessment findings and confirm
4 compliance with designation standards.

5 (4) A center that meets the designation criteria will receive
6 official designation. A center that does not meet the designation
7 criteria shall receive feedback and technical assistance so that such
8 centers may improve and reapply for designation.

9 (5) Four centers shall be selected for the pilot program established
10 pursuant to section 1 of this act.

11 **Sec. 4.** To receive designation as a family resource and juvenile
12 assessment center under section 3 of this act, an applicant shall meet

15 childhood programs, conflict resolution, mental health services, and
16 substance abuse prevention; (2) employ professionals trained in family
17 support principles, cultural competency, trauma-informed care, and the
18 strengthening families framework; (3) develop partnerships with local
19 grassroots organizations to provide culturally relevant services,
20 outreach, and trust-building within the community; (4) demonstrate a
21 clear, effective organizational framework that supports service delivery,

25 **Sec. 5.** (1) Each family resource and juvenile assessment center
26 shall host multiple community providers, grassroots organizations, and
27 embedded community navigators to assess and serve the immediate and
28 ongoing needs of youth and families.

29 (2) Each center shall provide assessments and services free of
30 charge to families and maintain active membership in the National
31 Assessment Center Association.

28 youth and families through available services, act as mentors, and assist
29 with follow-ups to ensure sustained engagement.

30 **Sec. 8.** Each family resource and juvenile assessment center shall
31 implement a data collection system to assess program effectiveness, track

1 youth and family outcomes, and incorporate feedback directly from those
2 served. The data collected shall be used to adjust and refine services,
3 with a focus on measuring progress toward keeping youth out of the
4 juvenile justice system and achieving positive life outcomes.

5 **Sec. 9.** Each family resource and juvenile assessment center shall
6 offer ongoing support to youth after they complete the initial service
7 period. This support may include alumni mentoring programs, periodic
