

One Hundred Ninth Legislature - First Session - 2025

Introducer's Statement of Intent

LB503

Chairperson: Senator R. Brad von Gillern

Committee: Revenue

Date of Hearing: February 19, 2025

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB503 would allow counties to become an American energy friendly county through a resolution by the county or a vote of the people. The owner of a privately developed renewable energy generation facility that operates in an American energy friendly county will pay a nameplate capacity tax at one and one-half times the rate set for other privately developed renewable energy generation facilities.
