LB 233 would reduce the number of members of the Legislature from 49 to 45 starting January 1, 2013. Based on an average cost per senator of \$125,000 for staff, senator salaries, per diem expenses, and operating expenses, savings on an annual basis would be \$500,000. FY2012-13 would be half that amount as a fiscal year runs from July to June.
