CASH FUNDS				
FEDERAL FUNDS				
OTHER FUNDS				
TOTAL FUNDS	\$5,000,000			

*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB1066 appropriates \$5,000,000 to the Board of Regents of the University of Nebraska for FY13 for the planning and architectural design of a new veterinary diagnostic laboratory facility for the Veterinary Diagnostic Center at the Institute of Agriculture and Natural Resources.

Information provided by the University indicates a separate capital request of about \$50 million will be made at a future date to allow for construction of the new center.
