LB 838 changes the date for the State Department of Education (NDE) to certify state aid to schools for FY2014-15, pursuant to the Tax Equity and Educational Opportunities Support Act, from on or before March 1, 2014 to on or before April 10, 2014. The bill has no fiscal impact in terms of the amount of state aid allocated to schools in FY2014-15 because the formula to allocate state aid is unchanged. The change in the certification date can be handled with existing staff and resources of the department.
