This bill would prohibit joining certain interstate compacts and the sharing of red light camera and speed camera information with other compact members as prescribed.

The Department of Motor Vehicles states that this bill could cause a loss of revenue for vehicle searches but DMV is unable to determine this potential loss, if any.

Explanation of Estimate:

LB 316 could potentially cause a loss of revenue for vehicle record searches through a reduction in vehicle record information. The amount of the reduction is, however, undeterminable. Most of the vehicle record sales are to data resellers and DMV is not aware of who may be repurchasing the data. Vehicle record revenue to the DMV Cash Fund is approximately \$215,000 per year.
