Explanation of Estimate:

LB363 requires that all medical payments under the Nebraska Workers' Compensation Act shall be payable within thirty days after notice has been given or within thirty days after the entry of a final order, award, or judgment of the compensation court. The bill provides further that if a medical payment is delinquent by thirty days or more, fifty percent shall be added to the amount payable and shall be paid to the employee.

The State is not able to predict which bills will be ready for payment within 30 days or would be outside the 30 day limit and thus incur a penalty. Therefore, we are not able to determine a fiscal impact.
