This bill changes an exception relating to unlawful possession of a firearm at a school. Currently, unlawful possession of a firearm at a school does not apply to “firearms which may lawfully be possessed by a member of a college or university rifle team, within the scope of such person’s duties as a member of the team”. This bill strikes “rifle” from this exception of possessing a firearm at a school.

It appears that this bill will not have a fiscal impact on the state or political subdivisions.
