LB 747 amends the Nebraska Liquor Control Act to provide a definition of bottle club and require a person operating a bottle club to obtain the appropriate retail liquor license.

“Bottle club” is defined as an operation, whether formally organized as a club having a regular membership list, dues, officers, and meetings or not, keeping and maintaining premises where persons who have made their own purchases of alcoholic liquor congregate for the express purpose of consuming alcoholic liquor upon the payment of a fee or other consideration, including but not limited to, other services such as the sale of food, ice, mixes, or other fluids for alcoholic drinks, the maintenance of space for consumption, and entertainment performances.

The bill also requires the operator of a bottle club to obtain the appropriate retail license based on the type of beverages consumed. It also requires an accurate membership list with names and residences of the members to be maintained upon the premises of the bottle club.

We estimate minimal positive fiscal impact as a result of the provisions of LB 747.

The Liquor Control Commission indicates no additional cost as a result of the provisions of LB 747.

We agree with the Commission’s estimate of cost.
