**Explanation of Estimate:**

LB 859 seeks to change a provision relating to documents which may be withheld from the public.

There would be no substantial change in the functions or workload of DAS personnel if LB 859 would pass. If a family member of a deceased employee would request documents related to the employee's death as it relates to their employment, the fiscal impact of providing those records would be minimal and could be easily absorbed.

There is no fiscal impact to the Department of Administrative Services.
