LB 912 provides that school districts may post a sign in English and Spanish containing the toll-free telephone number established by the Department of Health and Human Services to receive reports of child abuse or neglect. In lieu of displaying a poster, the school may post a link to the poster on its website. The bill requires the Nebraska Council of School Administrators to develop the poster containing the toll-free number and display it on their website in a format that can be downloaded.

The bill has no fiscal impact for any state agency. There will be a minimal increase in workload for school districts to comply with the requirements of the bill. It is assumed the workload increase can be handled with existing school district staff and resources.
