**Explanation of Estimate:**

LB212 proposes to change the videoconferencing option for public meetings to allow an exception for a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool to designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site. In the case of such organization as described that sells electricity or natural gas, such organization may hold more than one half of its meetings by telephone conference call if the organization holds at least one meeting each year that is not by videoconferencing or telephone conference call.

There is no fiscal impact to the Department of Administrative Services.
