LB 160 would have no fiscal impact to state agencies.

LB 160 would amend the definition of an economic development program under the Local Option Municipal Economic Development Act. Cities of the first and second class and villages would be allowed to use local option municipal economic development funds for early childhood infrastructure development. Any fiscal impact resulting from LB 160 would depend upon local governing board decisions, and cannot be estimated at this time.

There would be no mandatory fiscal impact, however if a loan or grant were approved, it could obviously be an expenditure. I don't know how to estimate the cost, since it would depend upon many factors.
