This bill would define the offense of child abuse to include subjecting a child to conversion therapy.

If the impact of this bill is to increase the inmate prison population by more than current law, NDCS could incur additional per diem costs. For every inmate, the Department of Correctional Services (NDCS) incurs per diem costs. This is the cost for food, medical care, inmate wages, clothing, cleaning supplies, food service supplies, cell and dorm supplies, other inmate related supplies, laundry, inmate property, miscellaneous contractual services, and inmate transportation. The FY18 per diem cost for an individual inmate was \$8,226 per year, which includes NDCS inmates in county jails. For informational purposes, NDCS estimates the cost per offender (All facilities including Parole) at \$31,271 for FY16. This cost represents an average cost of all General, Cash, and Federal expenditures excluding aid, depreciation, and Capital Construction expenditures.

If the impact of this bill is to increase the inmate prison population by more than current law, then this bill could increase the inmate prison population. As of July-September 2018, the prison population was 156% of design capacity. Additionally, the Department of Correctional Services contracts with some counties to temporarily house prison inmates. If those inmates are included in the prison population numbers, then the prison population would be 158% of design capacity.

This bill could also impact county jails. Misdemeanor sentences are generally served in county jails if jail time is imposed. If the impact of this bill is to increase misdemeanor sentences by more than current law, this could result in additional costs to counties.

Any fines assessed pursuant to convictions will accrue to the county where the violation occurs to be used for the support of public schools. This amount is not known at this time.

The Supreme Court estimates a minimal fiscal impact from this bill.

The Board of Parole estimates no significant fiscal impact from this bill.

The Department of Correctional Services states that this bill will have an indeterminate fiscal impact.
