This bill would provide for postsecondary education subsidy court orders for child support.

It appears that this bill will not have a fiscal impact. The Nebraska Supreme Court (Court) estimates no fiscal impact.

The Department of Health and Human Services (HHS) states that federal regulations do not allow the Child Support IV-D program to enforce education subsidies. Therefore, education subsidies would not be enforced by the Child Support Enforcement program and there will be no fiscal impact to HHS.

COMMENTS					
SUPREME COURT – Concur with agency response.					
HEALTH & HUMAN SERVICES – Generally concur with agency response, given DHHS assumptions.
