This bill would prohibit sexual assault of a minor by an authority figure, change statute of limitations for failure to make a report of child abuse or neglect, and change provisions relating to sexual offenses.

This bill creates a new felony offense of sexual assault of a minor by an authority figure, and there is a mandatory minimum term for a second conviction. This new felony could potentially increase prison admissions.

If the impact of this bill is to increase the prison population, then the Department of Correctional Services (DCS) could incur additional per diem costs. The FY19 per diem cost for an individual inmate was \$9,408 per year, which includes DCS inmates in county jails.

Increasing the prison population could also increase prison overcrowding. As of February 2020, the prison population was 156% of design capacity, or 159% if DCS inmates housed in county jails are included.

DCS states that this bill could increase the number of persons in prison, but the impact is indeterminable.

This fiscal note uses “design capacity” but the DCS attached response uses “operational capacity”. Design capacity is the number of inmates that planners or architects intended for the facility. Operational capacity is the number of inmates that can be accommodated based on a facility's staff, existing programs, and services.

The Supreme Court estimates a minimal fiscal impact from the provisions of this bill.

The State Patrol and the Department of Health and Human Services estimate no fiscal impact from this bill.

**Explanation of Estimate:**

LB 766 changes provisions relating to sexual offenses. The bill could increase the number of persons in prison. The specific amount of impact is indeterminable.

As of October – December 2019, the prison population was 117% of operational capacity. Additionally, DCS contracts with some counties to temporarily house prison inmates. If those inmates are included in the prison population numbers, then the prison population would be 119% of operational capacity. The FY19 per diem cost for an individual inmate was \$9,408 per year, which includes DCS inmates in county jails.
