LB 455 is the Broadband Pole Attachment Act.

Section 2 provides definitions for the Act.

Section 3 requires each electric utility to:

- Charge just, reasonable, and nondiscriminatory rates for attachments to utility poles by communications service providers;
- Make the utility’s easements available to such providers;
- Establish terms and conditions for utility pole attachments;
- Complete utility pole replacement or other make-ready work within ninety days of a complete attachment request;
- Allow providers to use boxing techniques, extension arms, attachments below existing attachments where space is unavailable above existing attachments, temporary attachments, or other methods or equipment, as long as such use complies with the National Electrical Safety Code or other applicable safety codes;
- Not require providers to comply with utility pole attachment specifications or requirements that exceed National Electrical Safety Code specifications; and
- Negotiate in good faith with providers to enter into pole attachment agreements consistent with the Broadband Pole Attachment Act

Section 4 stipulates that complaints from either utilities or providers shall be filed with the Public Service Commission.

Both the Public Service Commission and the Power Review Board estimate no fiscal impact.
