LB 654 transfers the responsibility for approving on-the-job training and apprenticeship training, on-the-farm training and flight training programs for veterans from the Department of Veterans' Affairs to the State Department of Education (NDE).

The Department of Veterans' Affairs no longer performs these activities and has had an agreement with the Private Postsecondary Career Schools and Veterans Education section of NDE to perform the duties. Federal funds for this purpose are currently received and expended by NDE, so the bill has no fiscal impact.
