LB 791 seeks to increase the county population level minimum for county surveyor responsibilities related to the management of the county highway department. The population level would be changed from 60,000 inhabitants to 100,000 inhabitants.

LB 791 will have no fiscal impact to state agencies.

The Nebraska Association of County Officials (NACO) identifies Hall County as the only county that would be impacted by LB 791. NACO did not provide any estimate of fiscal impact to Hall County. It is assumed the impact will be minimal.
