LB413 amends §79-101 & adopt the Interstate Mobility Compact.

The compact is to facilitate the mobility of teachers across the member states. Member states are trying to establish a collective regulatory framework that expedites & enhances the ability of teachers to move across state lines & maintain their teaching certificate.

The compact is intended to achieve the following when member states all ratify the same intentions:

- Create a streamlined pathway to licensure mobility for teachers
- Support the relocation of eligible military spouses
- Facilitate & enhance the exchange of licensure, investigate, & disciplinary information between members
- Enhance the power of state & district level education officials to hire qualified, competent teachers by removing the barriers to employing out-of-state teachers
- Support the retention of teachers in the profession by removing the barriers of re-licensure in a new state
- Maintain state sovereignty in the regulation of the teaching profession

The compact will not go into effect until the date on which a tenth member state has enacted the compact into their laws. Withdrawing from the compact occurs six months after the enactment of the repealing of the statute.

No Fiscal Impact
