Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

As introduced, LB 56 limits the salaries of elected members of legislative bodies of a political subdivision to: (a) two times the salary of a state legislator (or \$24,000) for those serving on a part-time basis, or (b) three times the salary of a state legislator (or \$36,000) for those serving on a full-time basis.

There could be a cost savings to the political subdivision(s), as shown by the attached estimate provided by the Nebraska Association of County Officials (NACO), but no fiscal impact is anticipated to the state.

Please complete ALL (5) blanks in the first three lines.

Explanation of Estimate:

LB 56 would prohibit paying political subdivision elected members of a part-time legislative body two times the amount of a member of the Legislature (\$24,000) or elected full-time members of a legislative body, three times the amount of a member of the Legislature (\$36,000).

Based on 2023 salaries established by county board members, 9 counties would be impacted at a reduced cost of approximately \$400,000 - \$324,000 [9 x \$36,000] = \$76,000 in total for that year.
