	EXPENDITURES	REVENUE	EXPENDITURES	REVENUE
GENERAL FUNDS				
CASH FUNDS				
FEDERAL FUNDS				
OTHER FUNDS				
TOTAL FUNDS				

*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 226 allows the Department of Labor to contract with Authorized Inspection Agencies for the purposes of boiler inspection. The bill does not appear to have a material fiscal impact.

The Legislative Fiscal Office assumes that any costs incurred by contracting these services would be covered by the inspection fee, as the inspection fee is set by the Labor Commissioner at a level necessary to meet the cost of administering the Act.
