LB 162 requires the Department of Motor Vehicles (DMV) to implement an electronic lien system for certificates of title after January 1, 2010. Current fees for notations of liens are unchanged by the bill. Cancellations of liens are to be noted in the electronic lien system without charge.

DMV will have estimated one-time cash fund expenditures of \$138,375 in 2008-09 for computer programming to develop a mainframe lien database, modify the AS/400 county computer system and establish an internet portal to allow entry into the system.
