LB 287 amends the Nebraska Pickle Card Lottery Act and the Nebraska Bingo Act.

The bill increases the allowable expense limitations for a licensed nonprofit organization conducting a lottery by the sale of pickle cards. The expense limitation would be increased from the current 8% to 10% of the definite profit. The sales agent commission of 4% would remain unchanged.

The Department of Revenue estimates that the fiscal impact and cost to implement LB 287 would be minimal.

There is no basis to disagree with the Department of Revenue's estimate of fiscal impact and cost.

**IMPACT TO POLITICAL SUBDIVISIONS:**

There is no fiscal impact to political subdivisions associated with this bill.
