This bill would add false information about employees to the crime of fraudulent insurance act and to the Insurance Fraud Act.

The Workers Compensation Court estimates no fiscal impact.

The Department of Insurance estimates the following impact:

	FY2009-2010	FY2010-2011	FY2009-2010	FY2010-2011
ITEMS	Number of Positions		Expenditures	
Insurance Fraud Investigator I	0.25	0.25	10,897	11,169
Benefits			6,000	6,000
Operating			1,020	20
Travel			63	63
Total	0.25	0.25	17,979	17,252

The Department of Insurance states that the language of the bill would require them to add a 0.25 FTE investigator. This is based on a survey of other states investigating activities as noted in this bill.

The Department believes it has sufficient appropriations in its budget to meet these costs.
