The Honorable Ben Hansen
Health and Human Services Committee

P.O. Box 94604
Lincoln, NE 68509

Dear Chairman Hansen:

This letter is to address the question of how temporary Emergency Medical Technician licenses are regulated in other states.

All states require licensure for emergency care providers. The National Association of State EMS Officials provides resources regarding emergency care providers, including a report compendium on the emergency service workforce that can be found at https://nasemso.org/wp-content/uploads/Measuring-the-EMS-Workforce_Fina-Compendium.pdf.

Sincerely,

A handwritten signature in black ink that reads "Nicole M. Barrett".
